PARKING PERMITS AND FILM PERMITS

With the NYU Department of Public Safety, the Skirball Center can post “No Parking” signs on LaGuardia Place on the day of your event if requested. These signs are posted as a courtesy and do not bear enforcement from the New York Police Department. Official permits and signage must be secured from the New York City Mayor’s Office listed below.

An official Motion-Picture Television Permit is required for film shoots asserting use on City property or required parking of trucks or vehicles in a non-authorized location. Forms, fees and more information can be found at:

NYC TAXI CABS

Cabs can be hailed from the street. Look for the on duty light on top of the cab. Taxis rates are clearly labeled on the outside door of cab. A meter is generally mounted on the front dash of the car. Rates start at \$2.50 and then the meter starts to run based on distance and time standing still. You may request a printed receipt.
