1. Event Marketing and Ticketing Information Form:

Before NYU Skirball Center can assist you with the marketing of your event and begin to sell tickets, the Event Marketing and Ticketing Information Form (the "Form") must be completed and returned. Return the Form as soon as your event is confirmed to maximize the marketing support available to you.

The Form should be submitted with at least two (2) high resolution images (300 ppi and no smaller than 2000x2000 pixels). Additional images and video may be provided. Video files should be formatted in flash live video (FLV). Every effort will be made to use all materials supplied. The more that you share, the more we can do to help promote your event.

Be sure to include all required credits and copyrights with your submissions. If this information is not received, we will assume that it does not exist and/or is not necessary to include.

2. Obtaining Approval for Promotional Materials:

Your event should not be announced, publicized, or promoted in any way until you have received approval from an NYU Skirball Center representative. Promotional materials do not need to be submitted along with the Form; they may be submitted as they are developed. Promotional materials include but are not limited to: press releases, advertisements, e-mails, brochures, postcards, flyers, invitations, websites, programs, and any other material produced to promote your event.

NYU Skirball Center must have the opportunity to review and approve all promotional materials

before they are printed, posted, distributed electronically, or otherwise shared. Please allow for at least three (3) business days for NYU Skirball Center staff to review and to provide corrections to or approval of your promotional materials. The purpose of this review is not to judge content, but to approve the use of NYU Skirball Center's name, logo and lockups, to ensure accuracy of event details, and to ensure all policies outlined here are followed. Submit all promotional documents for approval to the contact listed above.

All promotional materials are required to include an NYU Skirball Center logo and/or lockup. See the next section for further details.

NYU-affiliated Events are required to credit the NYU Sponsor appropriately on all promotional materials. Example: "*Title of Event* is co-sponsored by New York University's Center for Ancient Studies."

3. Use of NYU Skirball Center's Name, Logo and Lockups:

NYU Skirball Center's name, logo, location, web address and ticketing information **MUST** be displayed clearly and consistently throughout all promotional materials.

Name: When referencing NYU Skirball Center in text, the following are permitted:

New York University's Skirball Center for the Performing Arts

NYU Skirball Center for the Performing Arts

NYU Skirball Center

(As a style note, do not use "the" before the name of NYU Skirball Center.

For example – "Our event will be presented at NYU Skirball Center," *NOT* "Our event will be presented at the NYU Skirball Center.")

Logo: NYU Skirball Center's logo (sample at the top of this document) must be applied to all promotional materials. The logo **MUST** retain its proportions, color, and all of its components.

Logo and other 'Client Resources' are available to download from the 'PRODUCE' section of NYU Skirball Center's website. To access, visit:

4. Sponsorship Restrictions:

Any application of sponsorship credit or use of other logos must be approved by NYU Skirball Center in advance of any commitment you may wish to make. Please keep in mind the following guidelines if you are soliciting sponsorship for your event:

Credits: NYU Skirball Center has the right to limit the placement, size and prominence of all sponsorship credits. Corporate sponsorship credits are not permitted on the street, in the upper lobby, on NYU Skirball Center's website or on the title page of a program. Text and reasonable logo credits for sponsors are permitted within your event's program. Corporate sponsorship credit cannot appear to be advertising and corporate sponsors are not permitted to display or sell their products at the theater.

Other Logos: Except for those of the artist(s) performing onstage, other logos are not

permitted on NYU Skirball Center's programs, signage, or website.

Please Note: Under no circumstances may materials include credits or references to:

- Alcohol, or drug-related products
 - Sexually suggestive or explicit images or products
 - Images or organizations which promote violent behavior
 - Religious or political organizations
 - Promotional products that may be given away for free on or near NYU premises
-

5. Collaborative Promotional Opportunities:

NYU Skirball Center's mission includes serving the NYU community and developing young audiences for live performance. Consistent with our goals, we offer some additional opportunities, when appropriate, to promote your events on-campus.

Postcards and Easel Poster: If you create postcards to promote your event they can be put on display in NYU Skirball Center's lobby and a limited number can be distributed on campus. An easel poster (poster mounted on foam core, gatorboard, or similar material) can be put on display in front of our glass doors at street level up to four (4) weeks prior to your event subject to availability of space. Recommended poster dimensions are at least 60"(h) x 45"(w). Arrange for delivery of postcards or easel poster with the contact listed at the top of this document.

E-mail Announcements: Typically, two e-mails are sent out each month to a list of more than 50,000 NYU Skirball Center patrons. Depending on the programming schedule, your event may be included in up to two (2) of these emails. However, there is no guarantee of placement, or of the number of announcements in which your event will be included.

Website: Solely at NYU Skirball Center's discretion, your event may be listed on the website calendar. Event pages include details, descriptions, ticketing links, images, video clips, and audio files. There is no guarantee that these additional media will be placed on the website, but we will do our best to include materials that are provided, subject to approval by NYU Skirball Center staff.

Brochures, Electronic Signage, and Other: Events confirmed far enough in advance that are consistent with NYU Skirball Center's mission and vision may be considered for inclusion in various NYU Skirball Center brochures, printed materials or electronic signage. No events will be considered for inclusion without having a confirmed reservation.

6. Required Press Release Information:

Submit press releases to the contact listed above and allow three (3) business days for review and approval. The following **MUST** be included in all press releases:

7. Programs:

If printed programs are desired for your event, you are responsible for writing, designing, printing, and delivering them to NYU Skirball Center. NYU Skirball Center must have the opportunity to review and approve your program before it is sent to print. Please allow for three (3) business days for review and approval. Delivery of programs should occur the day of your event and may be arranged with the Front of House Manager, Ian Tabatchnick.

Advertising: You may secure advertising for your program and retain income from it. However, advertising relating to alcohol, drug-related products, sexually suggestive or explicit images or products, images or organizations which promote violent behavior, and/or religious or political organizations is not permitted. Advertising may not contain references to NYU and may not advertise promotional products that may be given away for free on or near NYU premises. Upon receiving the program draft, NYU Skirball Center retains the right to exclude any advertising it deems inappropriate in a university setting.

Cover Page: Either NYU Skirball Center's logo or the full venue name (New York University's Jack H. Skirball Center for the Performing Arts) must appear on the cover page.

Required Copy: The following copy must be included in your program, without text changes, in the order you find it here. It is our preference that it be placed on the last pages of the program. The list of Skirball Center Staff may be re-formatted into columns as needed. A word document of this required copy can be requested.

Be sure to request the most up to date staff roster prior to producing your program.
