Erth's Dinosaur Zoo Live!

Face to Face Encounters with Prehistoric Dinosaurs

For Ages 3 and Up

February 4 and 5 at NYU Skirball

New York, January 5, 2017 – **NYU Skirball Center for the Performing Arts** will present ***Erth's Dinosaur Zoo Live!***, an eye-popping collection of amazingly life-like dinosaurs and other extinct creatures, for four performances, **February 4 and 5** at NYU Skirball Center. These interactive, theatrical performances will thrill kids ages 3 and up, and will feature free pre-show educational activities for kids and families.

This ultimate playdate - 65 million years in the making - guides families on a breathtaking tour through pre-historic Australia. Kids will observe, meet and interact with realistic and amazing puppets that are so extraordinarily realistic kids may feel the urge to run and hide.

Dinosaur Zoo Live!'s creatures are brought to life by skilled performers and puppeteers from Australia's Erth Visual & Physical Company, and designed with the help of professional paleontologists. The show will entertain kids while stimulating their imaginations in ways that will forever connect them to their world.
